

Green Choice Program

Criteria for Inclusion

Purpose: The Environmental Advisory Council will develop, maintain and promote a listing of Kalamazoo Regional Chamber of Commerce member companies whom by their actions, policies, accreditations, and certifications have shown leadership in sustainable and environmentally friendly (Green) business practices and products.

This is not a certification or accreditation program by the Kalamazoo Regional Chamber of Commerce or the Environmental Advisory Council; it is a resource listing of *Green Choice Member Companies* available to assist members and non-members in choosing (Green) alternative business practices, services and products.

Criteria for Green Choice Membership:

Required:

1. Kalamazoo Regional Chamber of Commerce Member in good standing.
2. Completed Green Choice Membership application
3. Have been in business one or more years under current DBA

One or More Required:

1. Received Green certification or accreditation, for example LEED, Energy Star, Green Build Michigan, Green Guard, Green Seal, C3, MBP3, Turfgrass Stewardship, Great Printers, Healthcare P2, Green Lodging, etc..
2. Have pending Green certifications or accreditation, for example LEED, Energy Star, Green Build Michigan, Green Guard, Green Seal. These companies will be listed as pending certification or accreditation.
3. Company distributes or manufactures products that have Energy Star or other Green certification or accreditations.
4. Company has specific written company policies for Green work practices or has demonstrated similar practices or activities.
